

## BUSINESSES

IMPROVE YOUR BOTTOM LINE...  
HIRE A DIESEL GARAGE FOUNDATION  
SPONSORED GRADUATE

## GRADUATES ARE:

### ACCREDITED

Our graduates complete an accredited degree program that is associated with industry-based skill standards, through nationally recognized schools.

### QUALIFIED

Students receive hands-on experience through internships and hands on learning facilities and job shadowing opportunities with employers like you. This gives them the advantage to gain skills in real work environments.

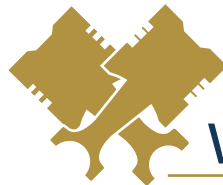

### READY TO WORK

Graduates who earn the Diesel Garage Foundation paid tuition and rewards package are high achievers, committed to excelling in their field. They know what it takes to be successful on the job, and have developed a strong work ethic through the training program.

**DIESEL GARAGE  
FOUNDATION**

**GIVING BACK & GROWING  
THE DIESEL INDUSTRY  
THROUGH TRADE SCHOOL  
SCHOLARSHIPS**

Diesel Garage Foundation, a registered 501(c)(3) Non-Profit, is funded completely by your donations. The more we can raise in donations, the more scholarships we can provide to help grow the Diesel Trades Industry.

## WHO WE ARE

### WE ARE DIESEL GARAGE FOUNDATION

Providing passionate individuals with an opportunity to take the first step in fulfilling their dream of becoming a diesel service technician, welder, or machinist.

**At Diesel Garage Foundation, we want to solve the biggest problem in earning a degree: student loan debt.**

### SPONSORS

Diesel Garage Foundation was formed because the entire diesel industry is about to face the biggest shortage of skilled workers it has ever seen. **It is estimated that 50% of the current workforce, roughly 200,000 will retire by 2030, creating, a huge gap.**

How can you help? Diesel Garage Foundation sponsors offer a hand up to individuals with the desire to become a diesel service technician, welder, or machinist. Funds cover tuition and tools necessary for successful transition into the diesel industry, and help bridge the gap.

#### **Benefits of being a sponsor:**

1. New leads and marketing through Diesel Garage Media.
2. Network with other businesses.
3. Become a hero on social media.
4. Early access to graduates.

- You're committed to an education in diesel, welder, or machinist field for your future.
- Currently need help paying for a skilled trades technical college to advance your career.
- Meet GPA and Attendance requirements for paid tuition and reward package

## YOUR QUESTIONS ANSWERED

### WHAT IS DIESEL GARAGE FOUNDATIONS PAID TUITION AND REWARD PACKAGE?

Diesel Garage Foundation will cover your tuition for a skilled trade degree from a technical college provided you meet all of the eligibility requirements including GPA scores and attendance.

Paid Tuition and Rewards Program covers tuition for a diesel technician, welder, or machinist degree for eligible individuals looking for a higher formal education in the diesel industry. Degrees improve future employment opportunities with better pay and career advancements.

What is not covered by the paid tuition and reward program?

\*Tuition coverage may include some education expenses such as required textbooks and other tools/equipment. Materials and equipment not covered by tuition are not included in the package and additional financial aid may be required to cover these costs.

### HOW DO I SIGN UP FOR DIESEL GARAGE FOUNDATIONS PAID TUITION AND REWARD PACKAGE?

You can apply for the paid tuition and reward package by filling out the intake form on our website.
